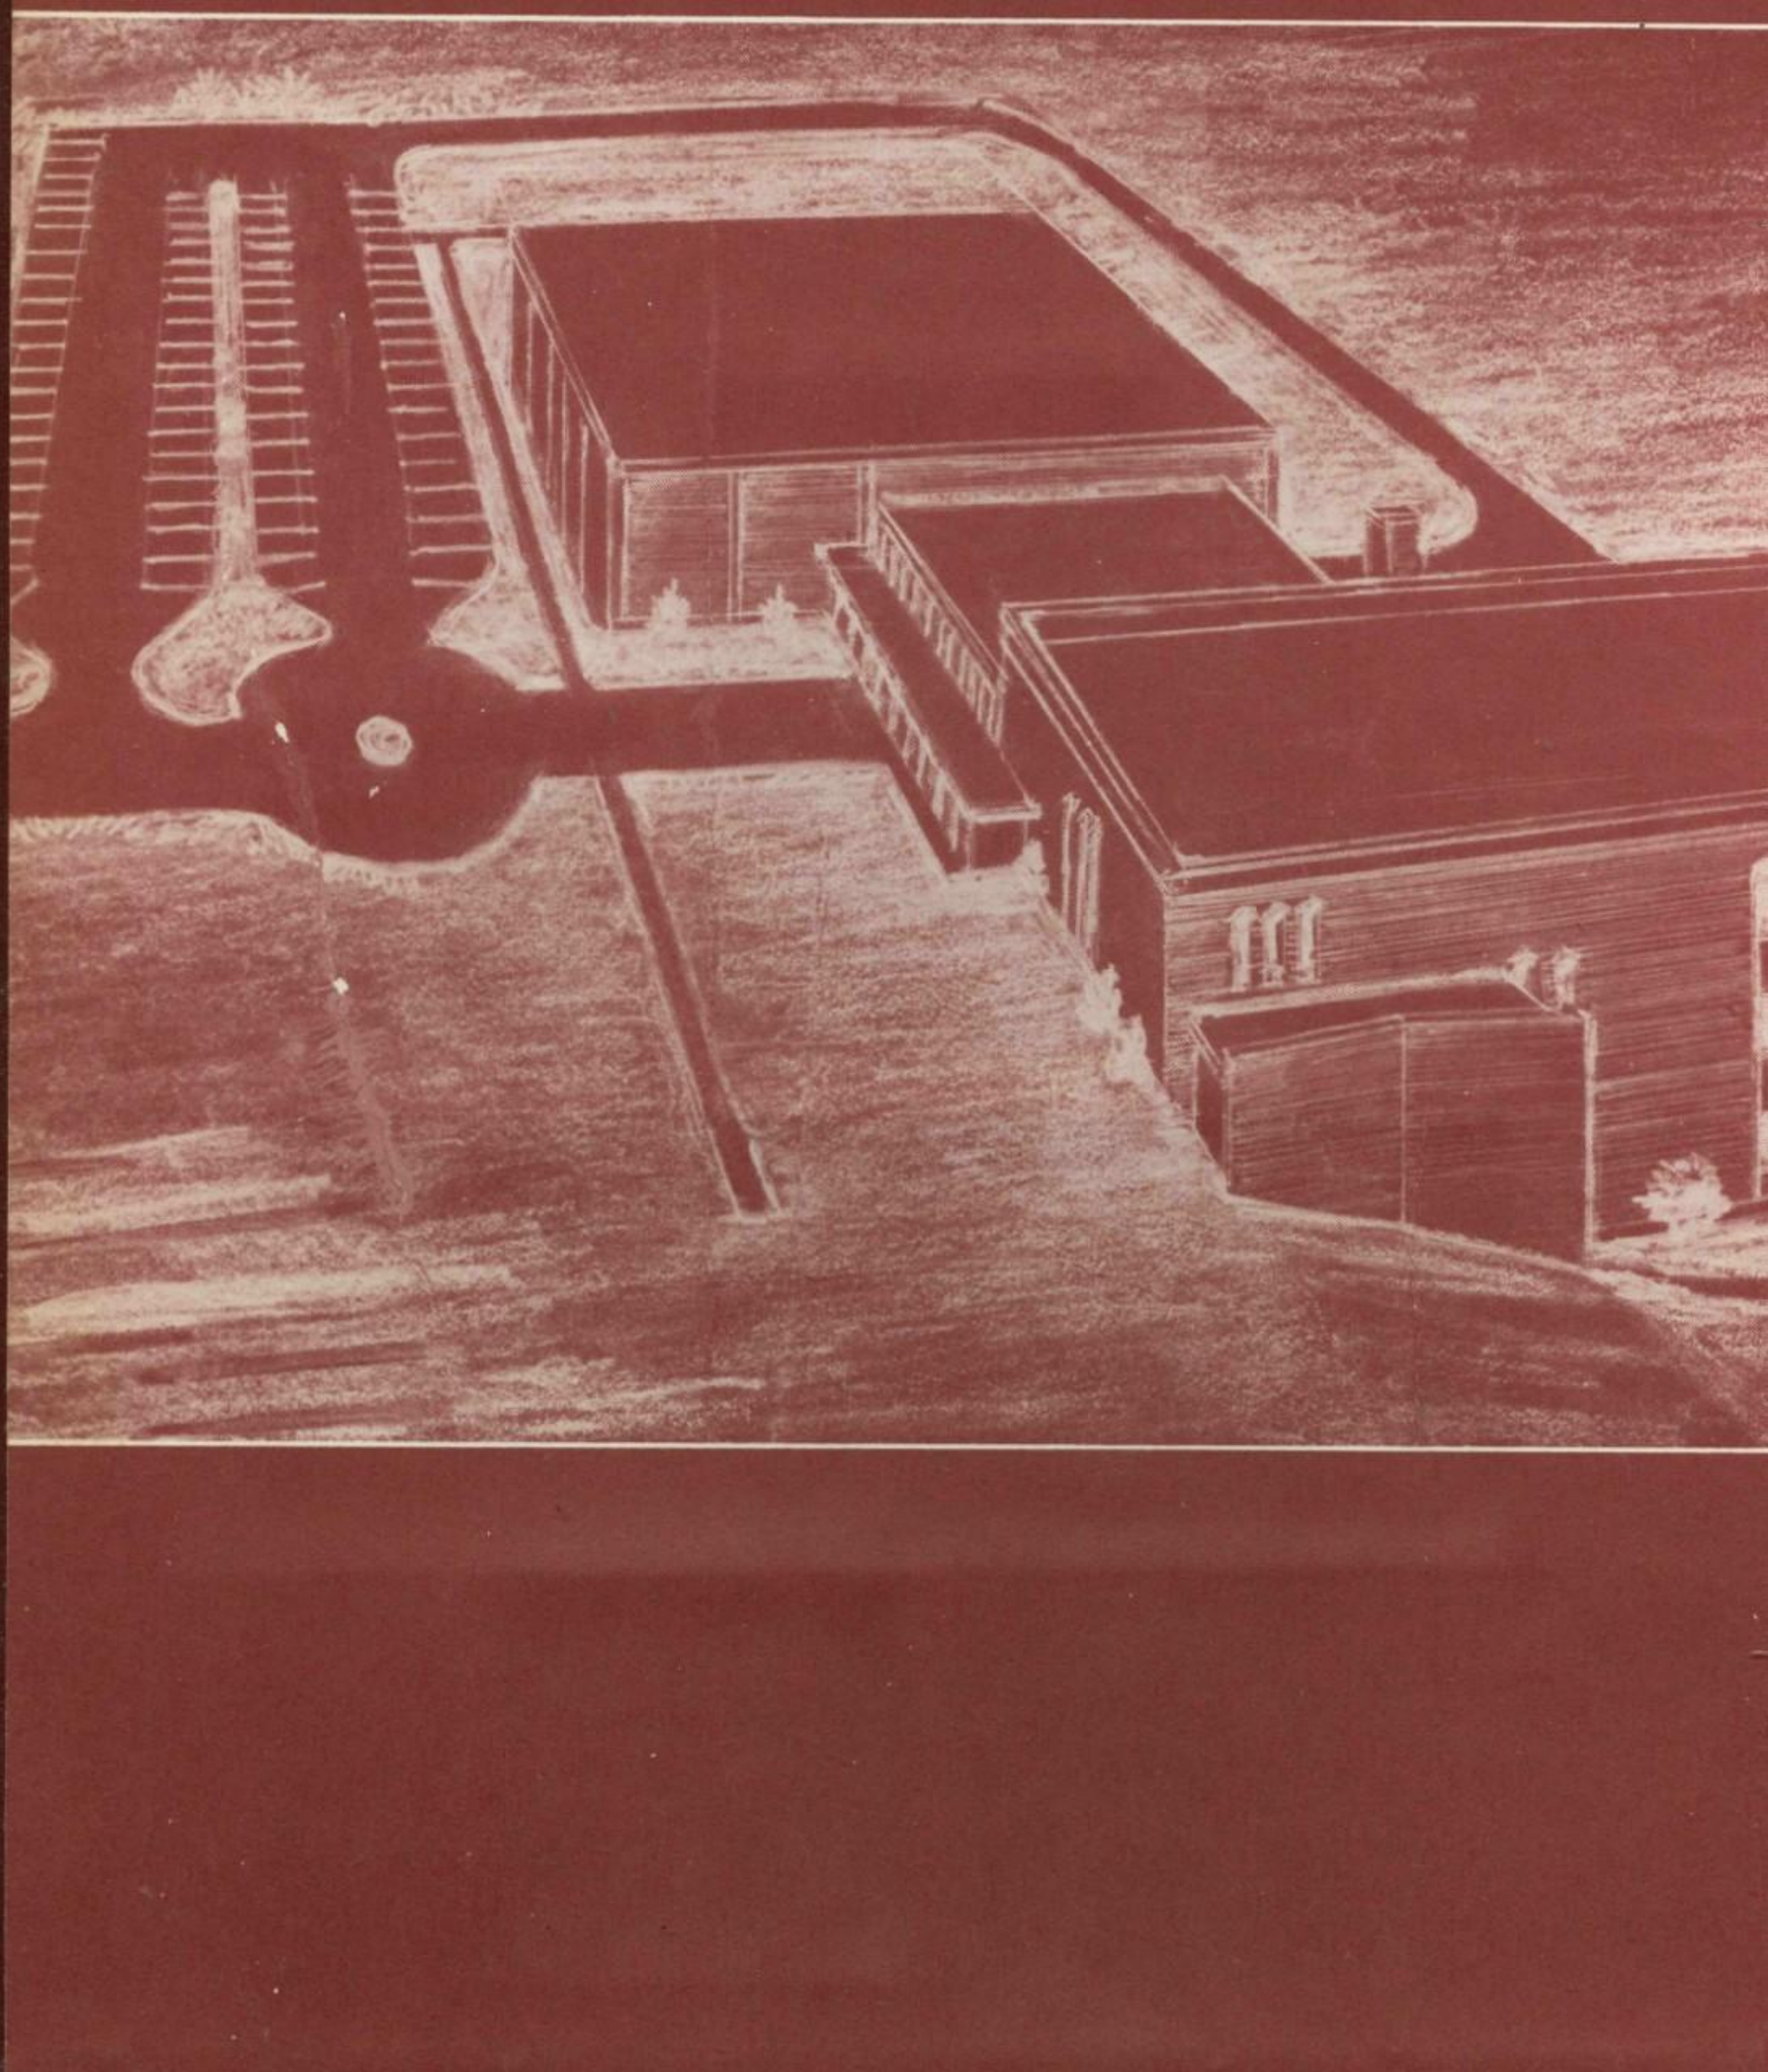
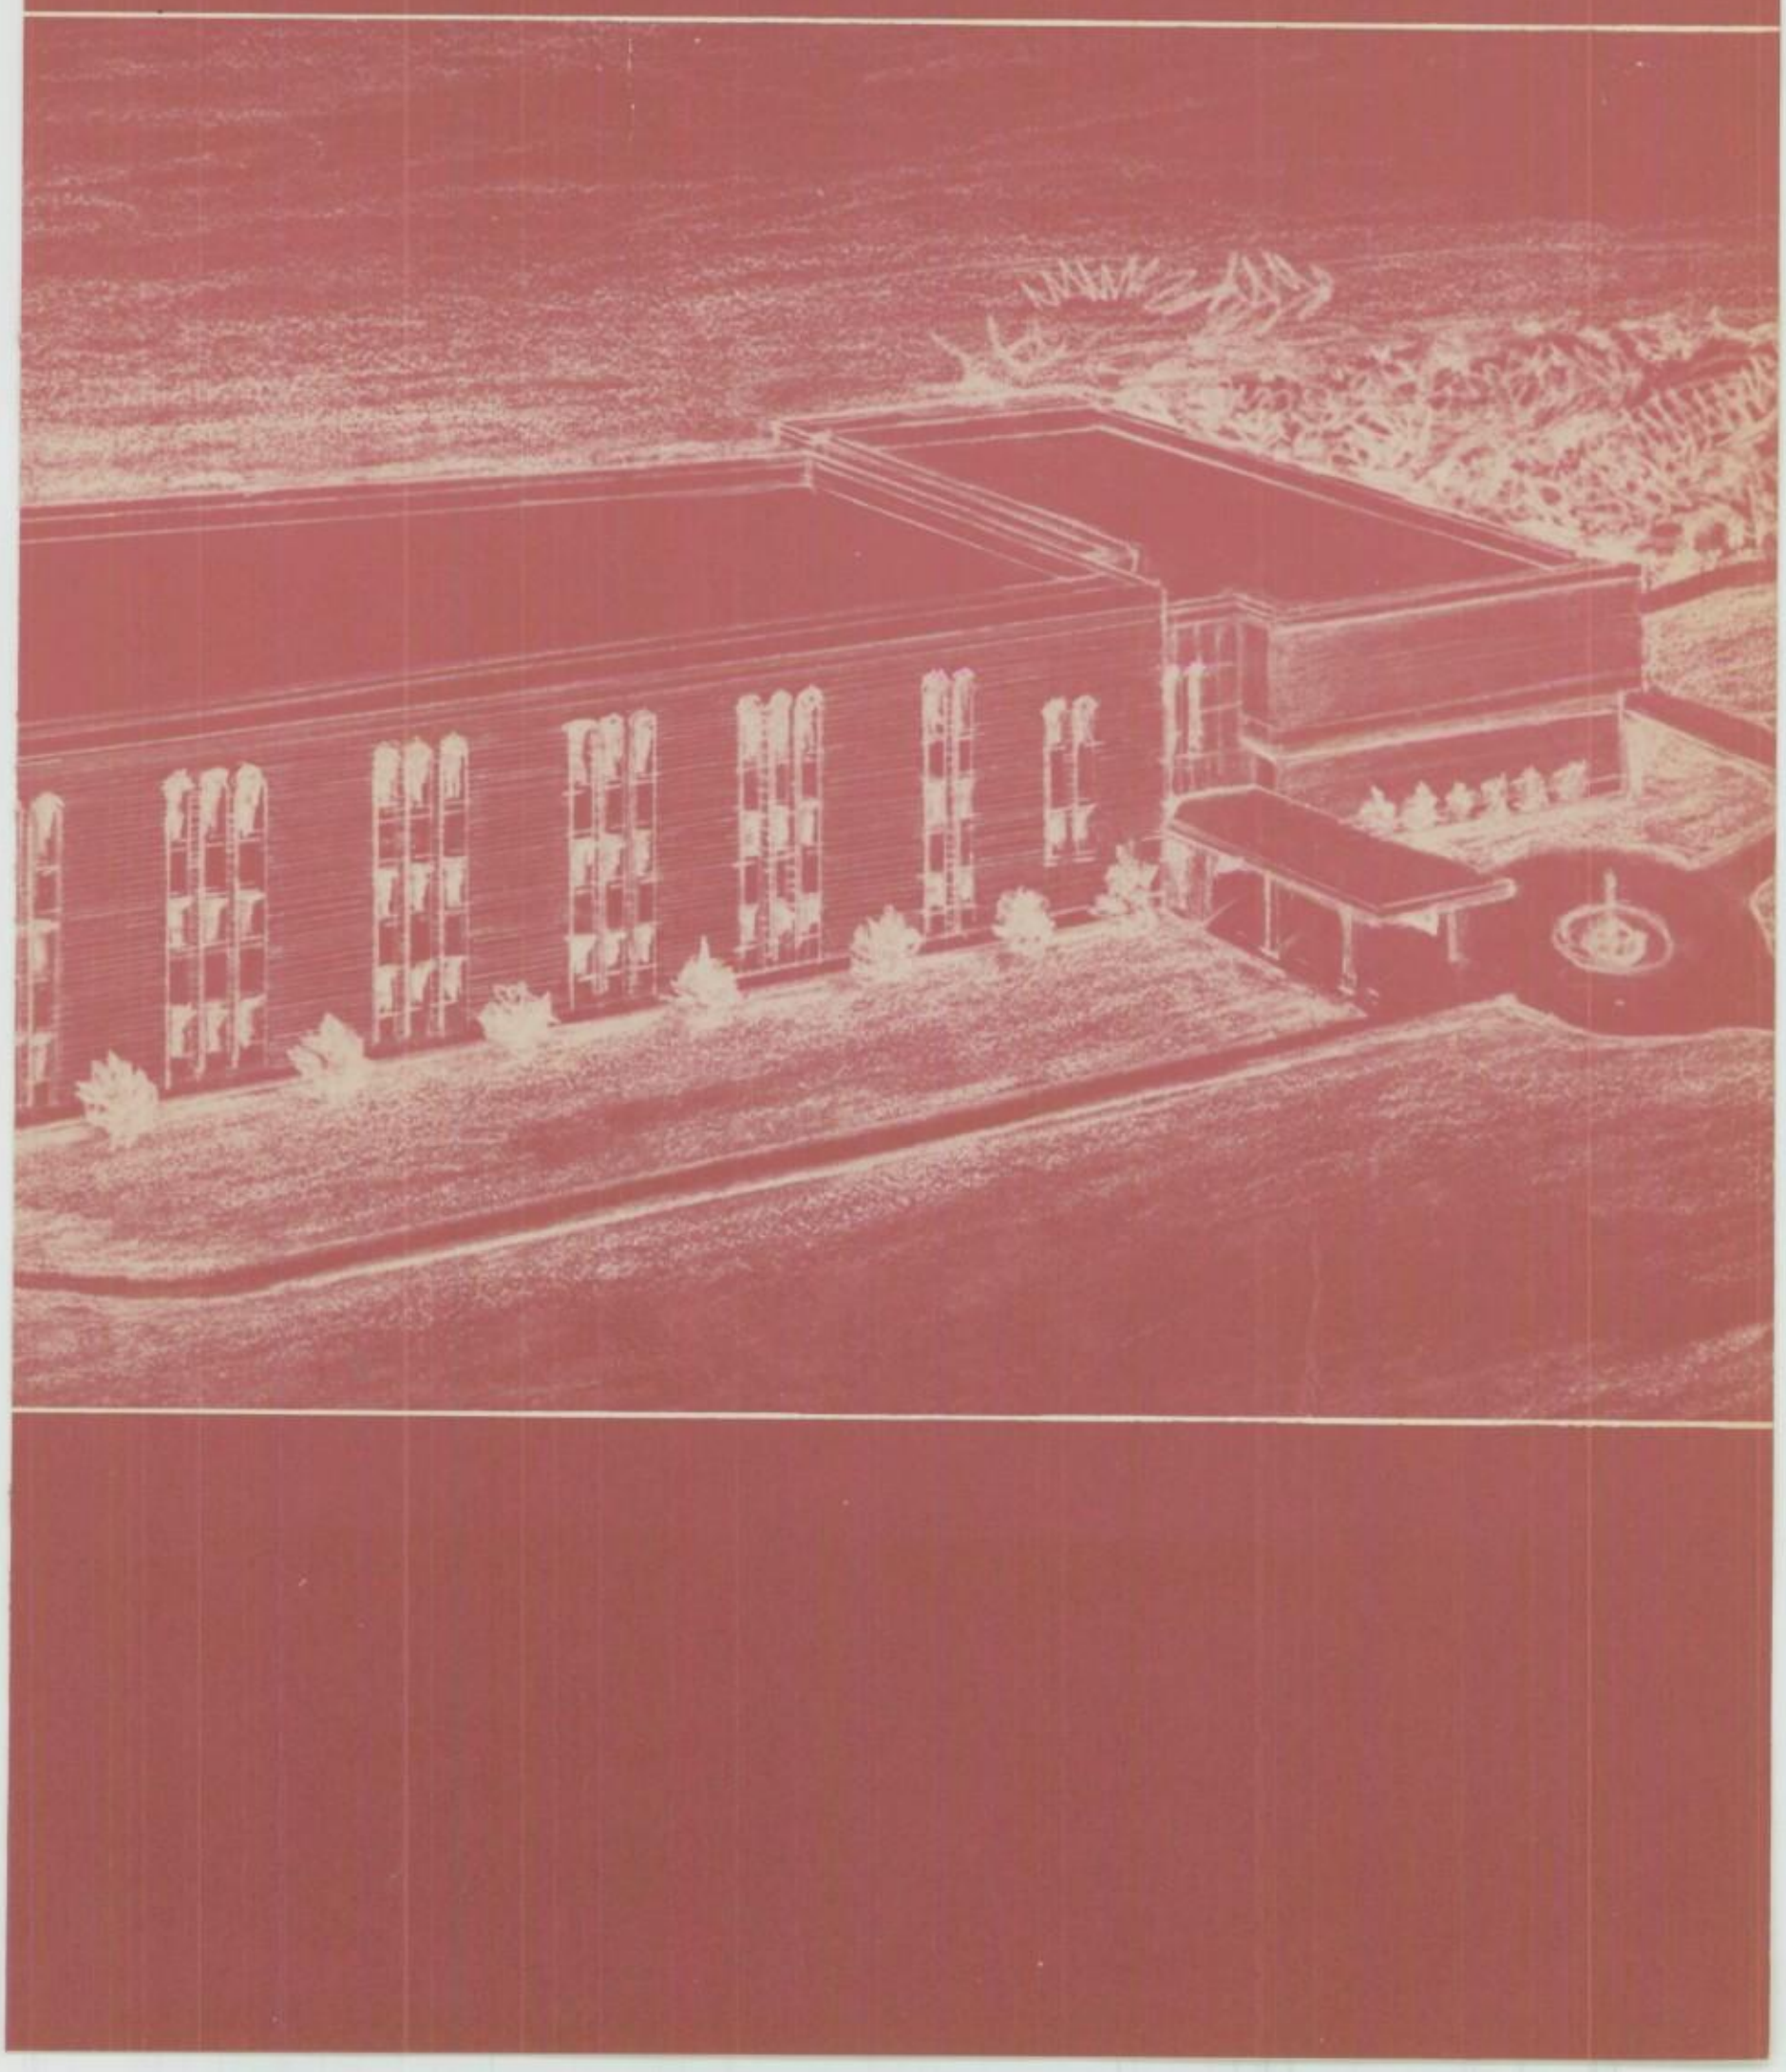
DE SMET 68





MIKE FEENEY

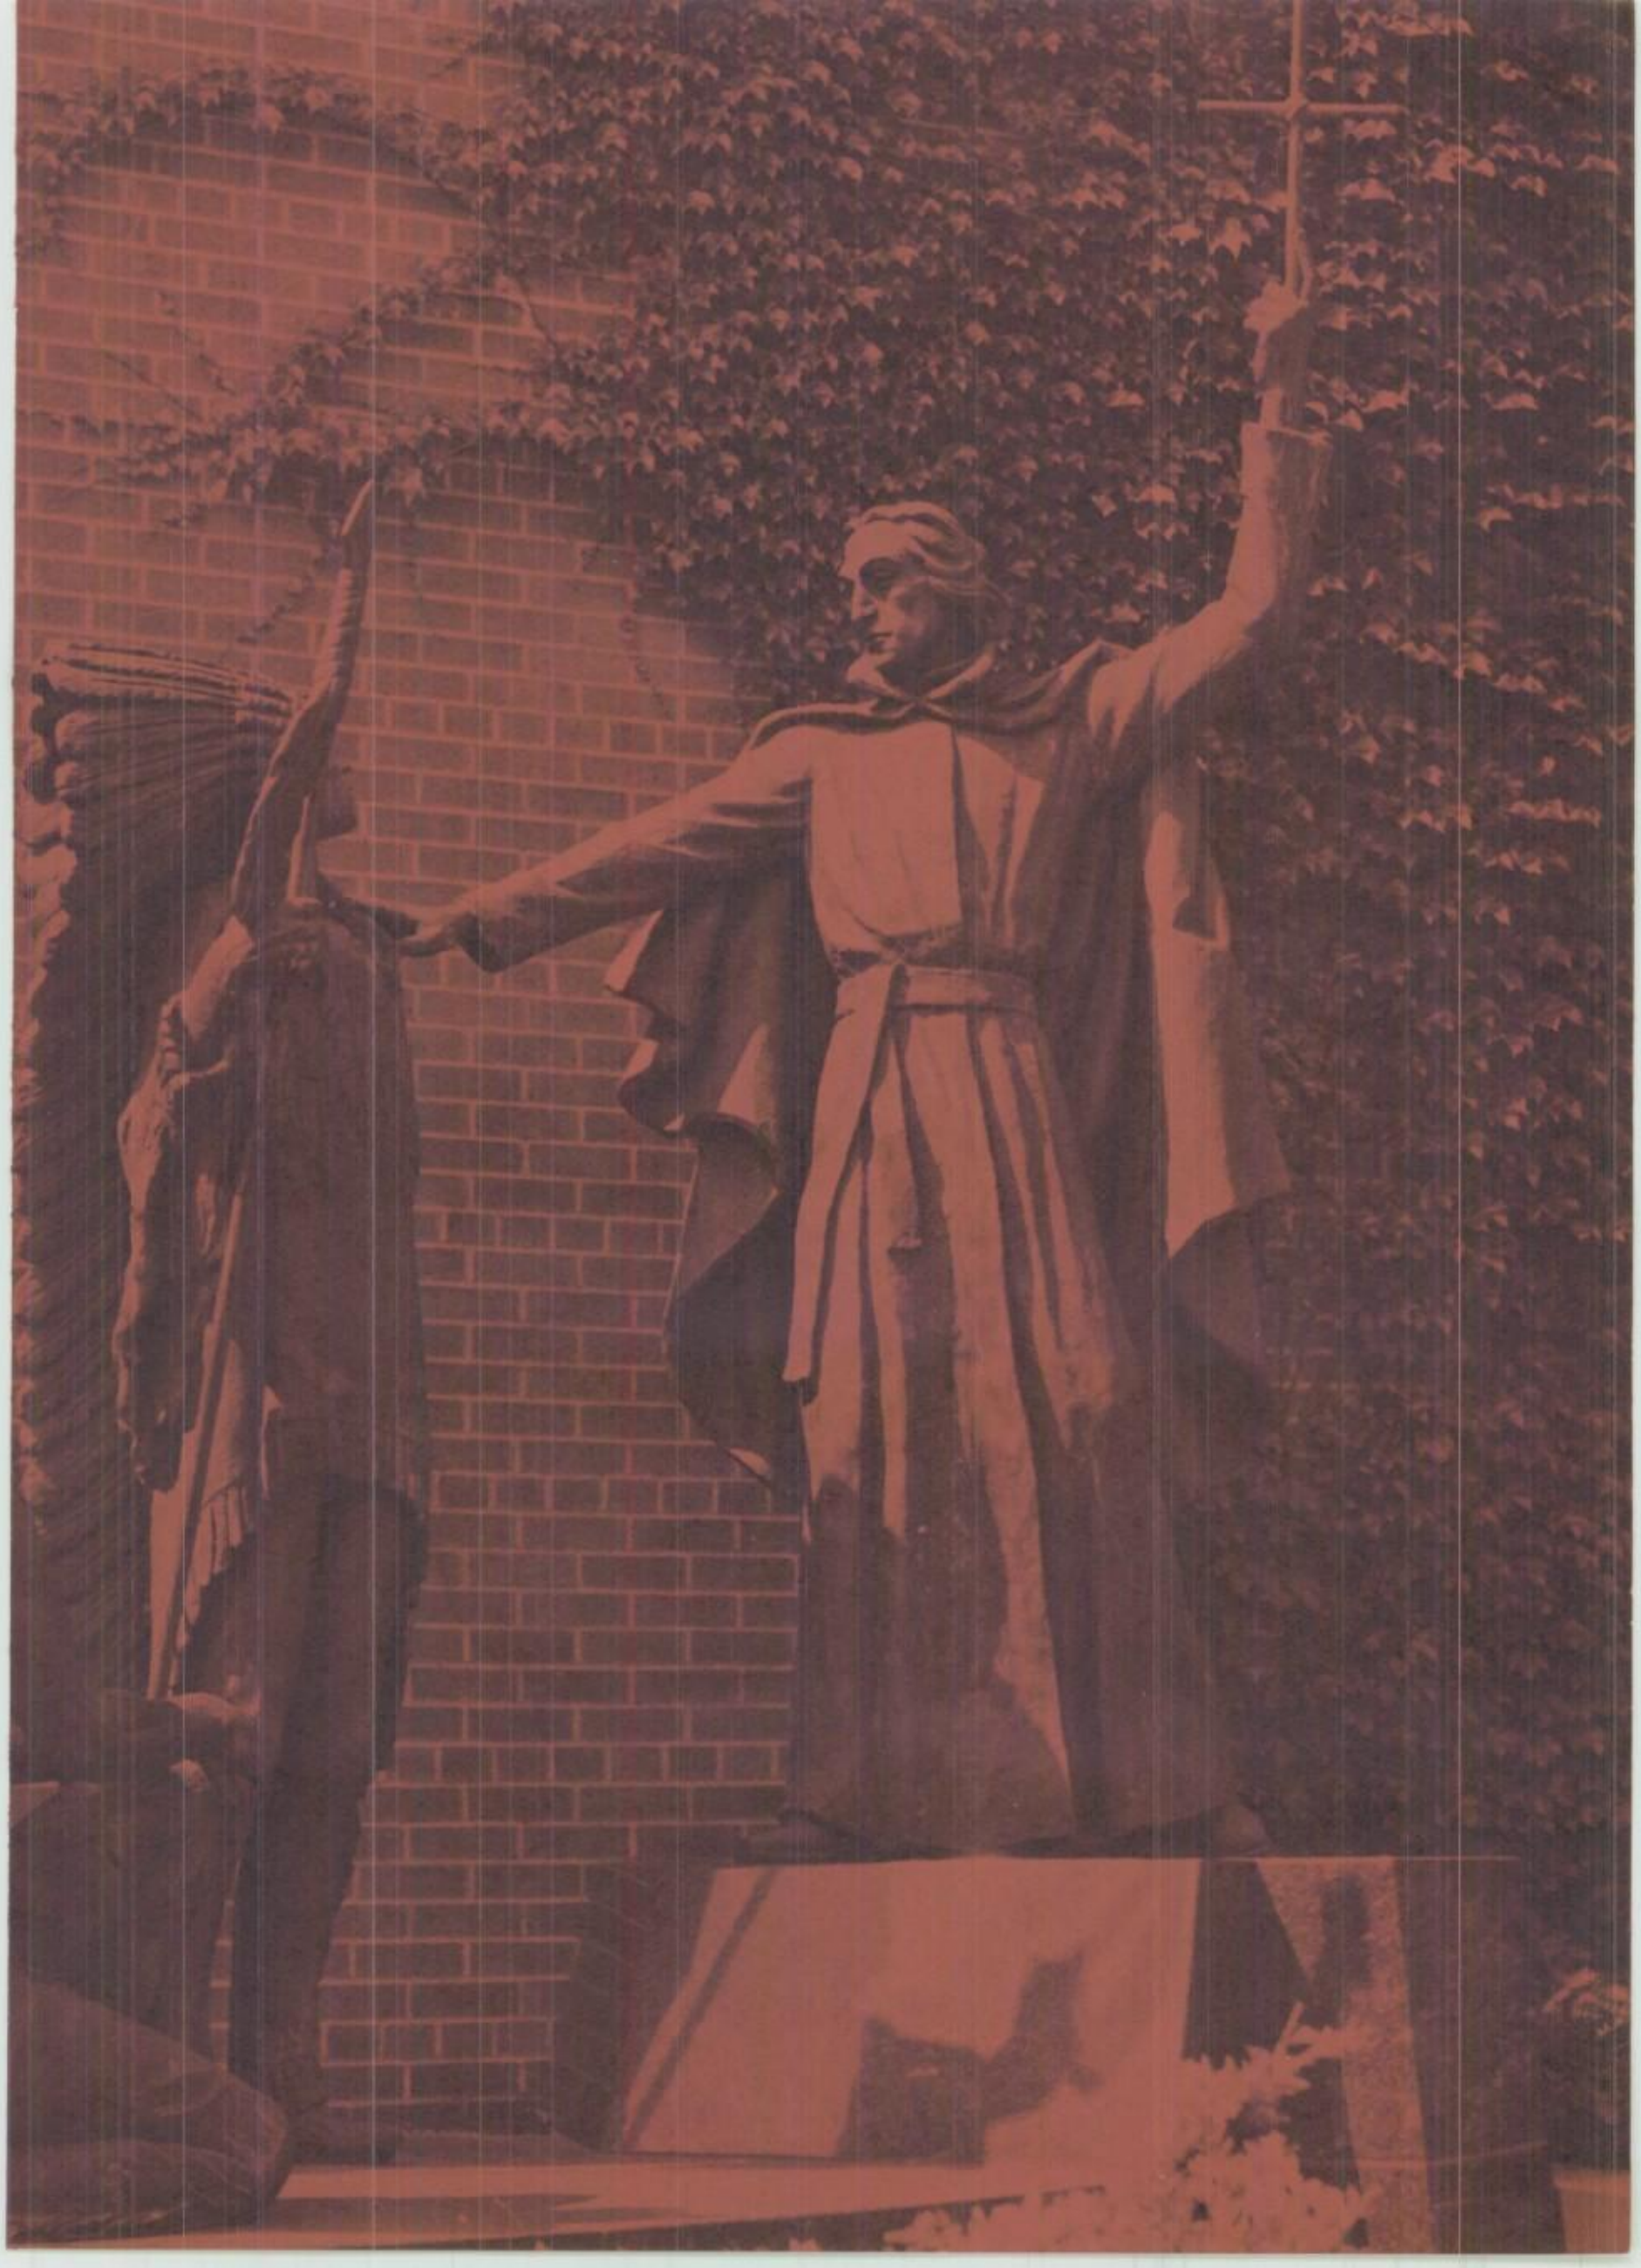
DE SMET 68

VOLUME ONE

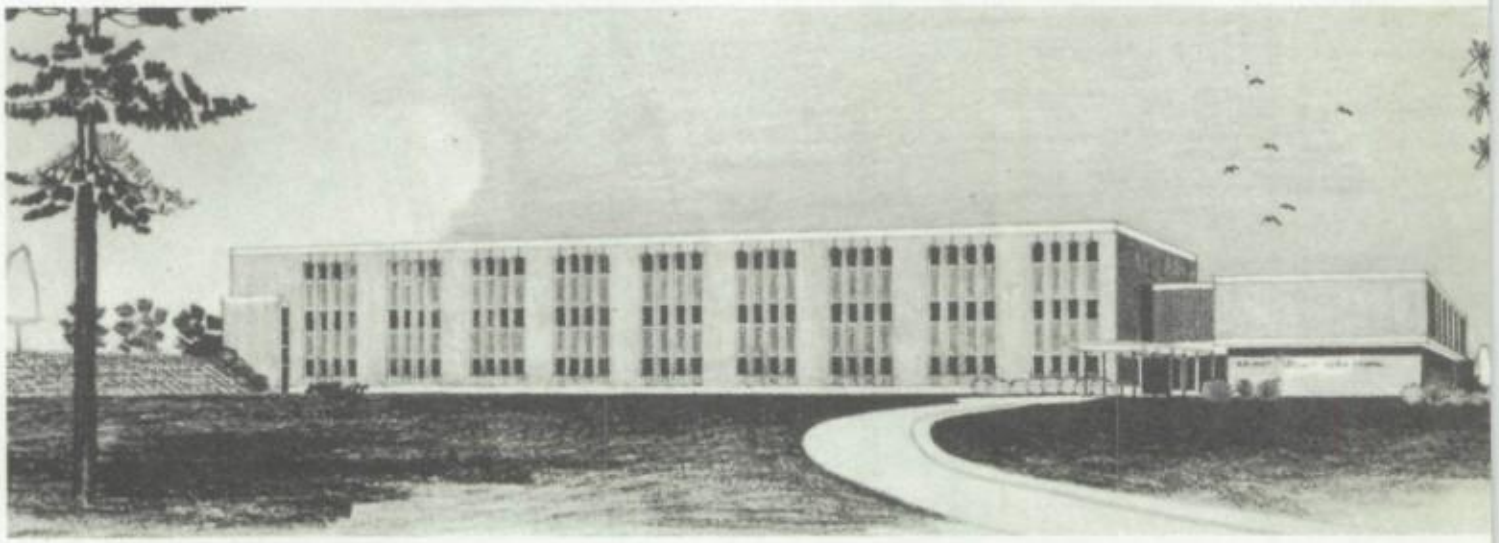
TO PETER J. DE SMET

Peter J. De Smet came to St. Louis from Belgium in 1823. After completing his theological training he began his life as a Jesuit missionary in America. His apostolic enthusiasm and missionary spirit led him to establish missions and schools from St. Louis to the far Pacific Northwest and he became one of the most influential missionaries in Mid America. Father De-Smet's name and his motives were held in deep respect by his many Indian friends and associates and his influence in the historical and cultural development of the West has been honored by the United States Government.

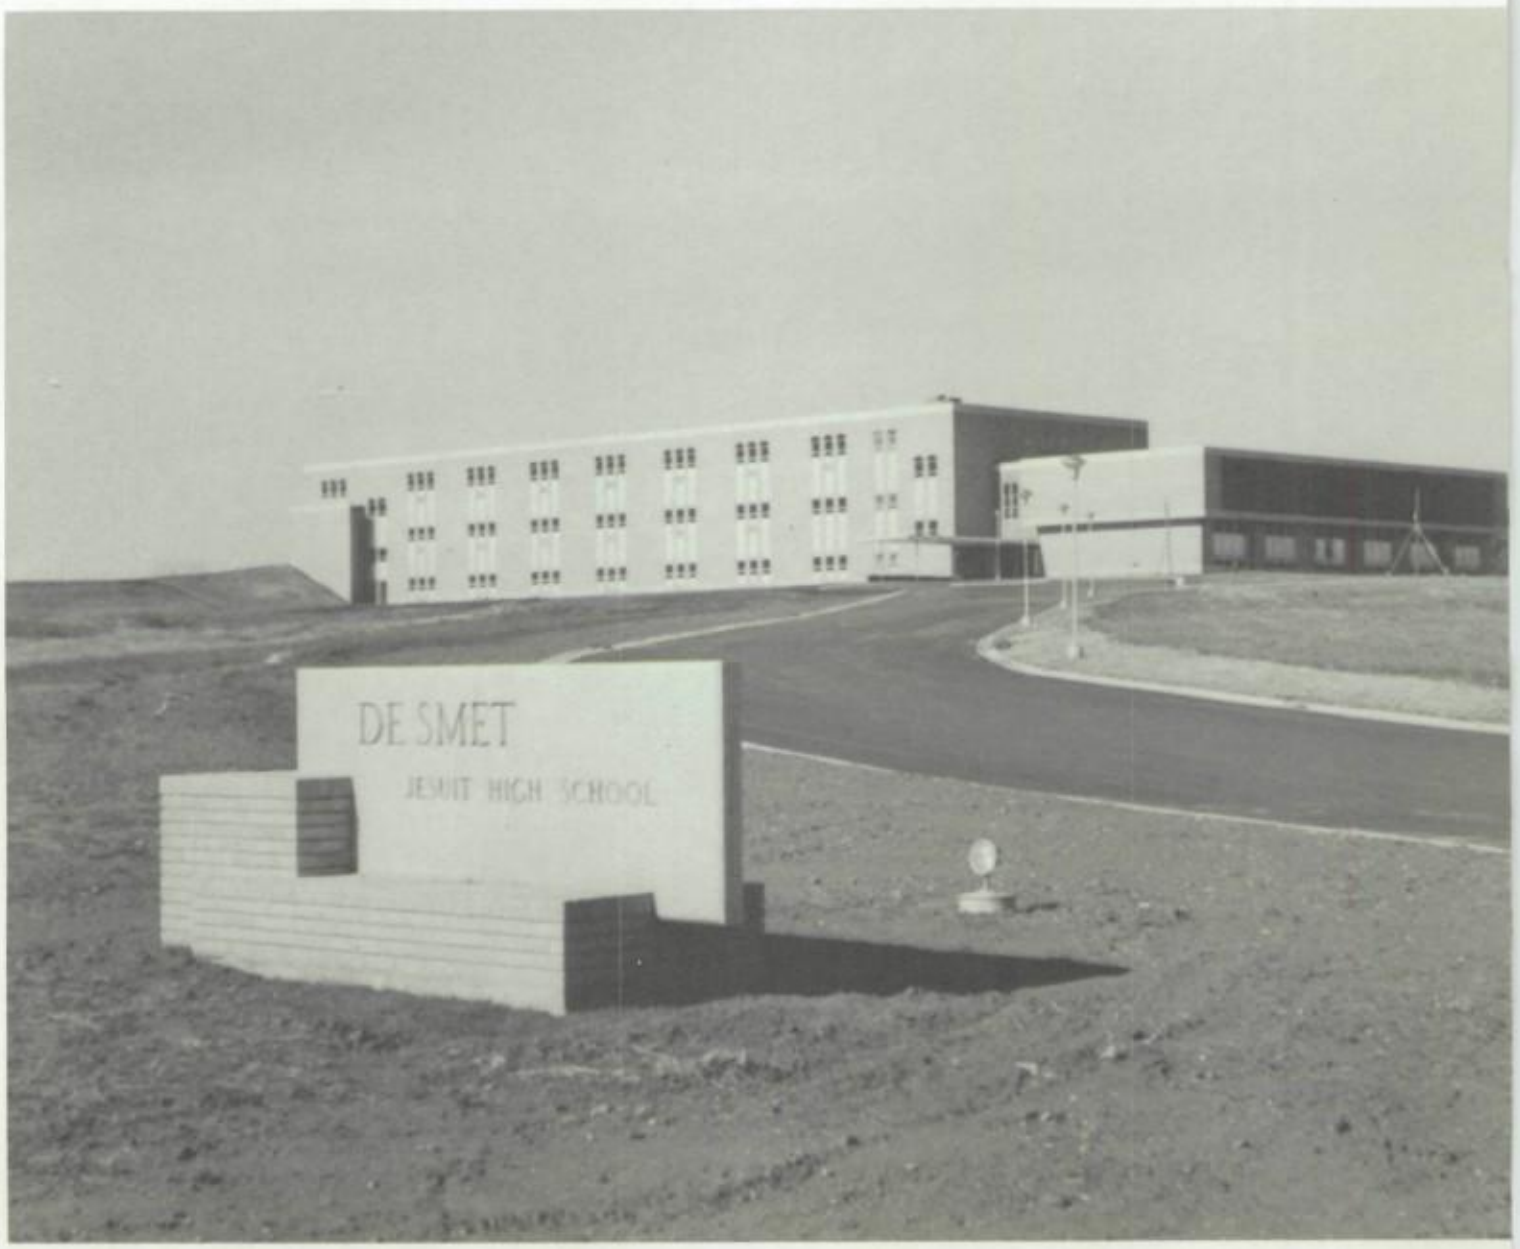
It is the life, the spirit, and the works of Father De Smet that are memorialized in the name De Smet Jesuit High School. We proudly and happily dedicate our first yearbook to him.



THE IDEA . . . . . of a second Jesuit High School was conceived in 1963



and became a reality when De Smet Jesuit High Scho
opened its doors to the first freshmen class in Septemb
of 1967.



The site occupies thirty acres on Ballas Road, North of Ladue Road.

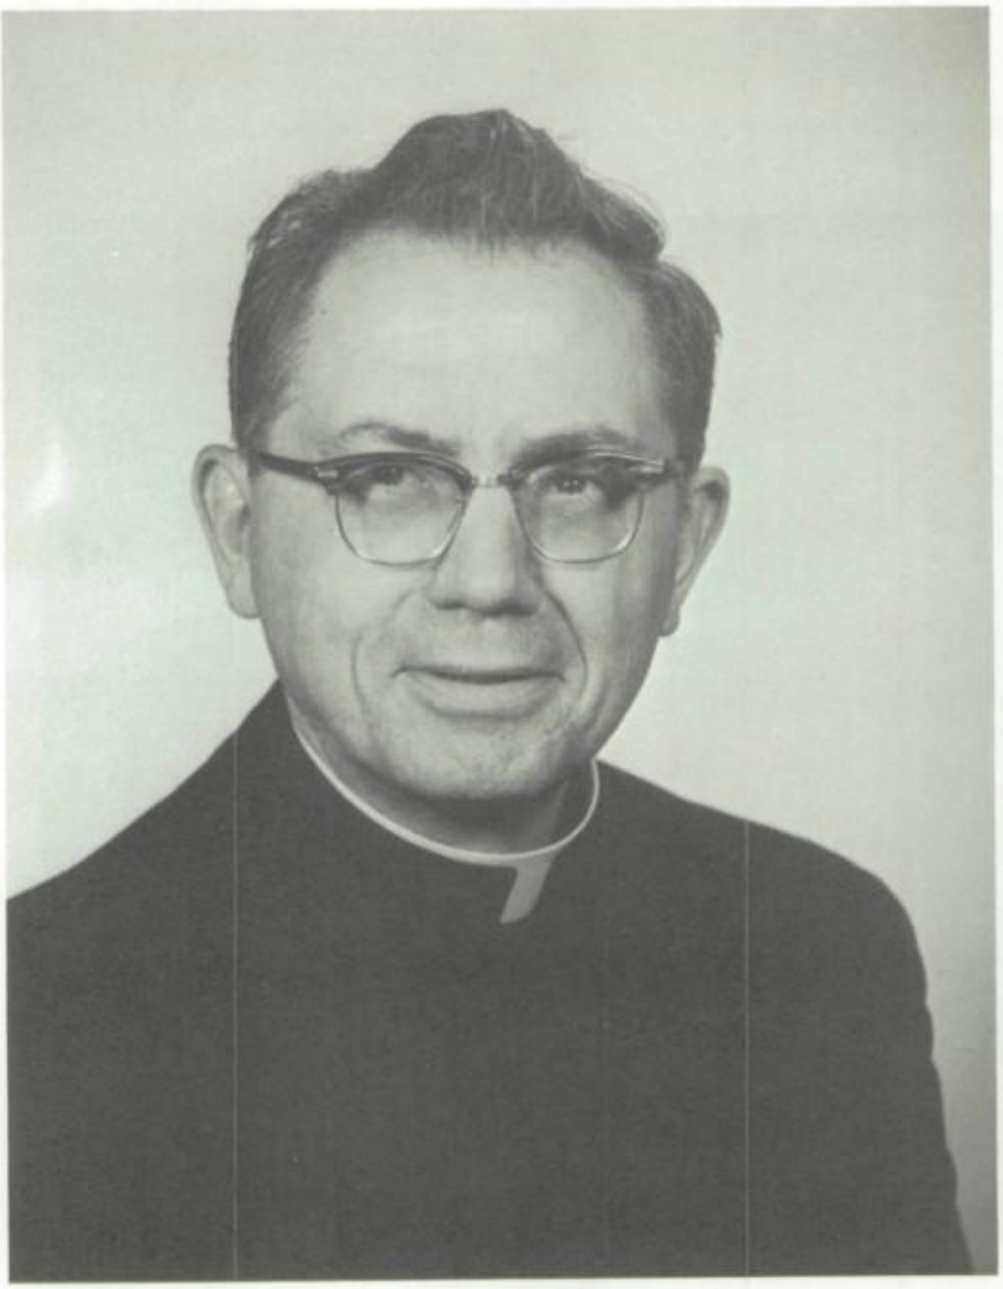
earning, loyalities, self knowledge,

christian values . . . and spirit.



REV. GREGORY H. JACOBSMEYER, S.J.

PRESIDENT OF THE BOARD OF DIRECTORS
SUPERIOR OF THE JESUIT COMMUNITY

Fr. Jacobsmeyer taught at St. Louis University High School for two years and then became Minister and Superintendent of Buildings there. He served as president of that school from 1956 until 1962. With the opening of De Smet Jesuit High School Fr. Jacobsmeyer became its first president.

REV. GERALD P. BONE, S.J.

PRINCIPAL

Fr. Bone came to St. Louis University High School in 1966 as a teacher and administrator. Prior to that time he had taught at Kapaun High School in Wichita, Kansas. He had been among the first group of Jesuits who opened that school. In September of 1967 Fr. Bone came to De Smet Jesuit High School to become its first principal.

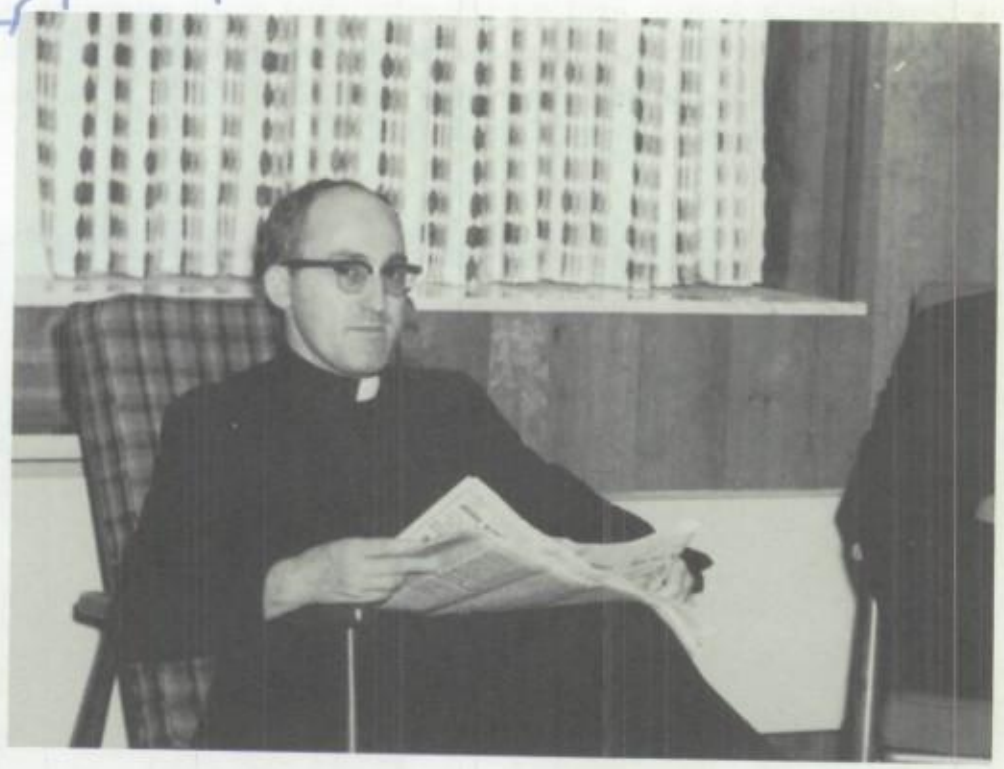
Brother Arthur Hoormann, S.J., Landscape and Maintenance



THE CLASS OF 1971

With 245 boys, the student body at De Smet represents a cross-section of the St. Louis metropolitan area. Whether in class, on the football field, in a debate, or involved in any competitive activity, primary in our thought this first year has been the building and the developing of a tradition, a name, and an identity that must serve as an ideal for future years and future classes. With determination, pride, and spirit we have lived and worked through our first year here at De Smet and eagerly look forward to the year 1971.

The 1967-1968 football season proved to be a victorious one for the De Smet Spartans finishing with a record of three wins, two ties, and one loss. Considering the unavoidable delay in beginning practice, the injuries sustained early in the season and the poor weather encountered, this is a formidable record.

Teamwork, spirit, and an enthusiasm which began to grow quickly in the student body pointed the way to a good season. And together with the able leadership and direction of Mr. O'Keefe the Spartans successfully began the history of football at De Smet. May the spirit of this first season set a precedent upon which future teams will build.

28	CBC	24
34	SLUH	14
34	Vianney	22
316	Totals	169

Season record: 8-1. Points scored over opponents: 316-169. These impressive statistics tell the success story of De Smet's first wrestling team. By defeating all challengers on their schedule except top-rated Mehlville, the Spartan wrestlers have proven their strength and skill on the mats. Mr. Satory justly merits the praise and respect of the school for such a fine season and the team is to be congratulated on their spirit, endurance, and ability to win. A look at this year's record strongly suggests a similar one next year.

BASKETBALL

Spartan basketball got off to a good start at De Smet with the school's first team displaying an unusual amount of talent—both actual and potential. And when the season ended Mr. Morgan and his squad were able to happily look back to an 8-7 record.

The season began with an encounter with Chaminade and ended with a repeat performance, beating the Flyers both times. Between those games the Spartans met some of the toughest competition in the area. Perhaps one of the most memorable games was the SLUH contest. De Smet was forced to bow to the Jr. Bills and thus experienced one of the hardest losses of the season. But the team's ability to win was clearly demonstrated in victories over such teams as McBride, Rosary, and Vianney. The Spartans beat the latter team twice and in doing so handed the Griffins the only two losses of their season.

Pride, hard work, and determination together with a good coach are what make a good team; and all these factors were present this year. Much credit should be given to Mr. Morgan who brought the team through a difficult but successful season. There is much to look backward to with pride in this season and even more to look forward to with hope in the years to come.

DE SMET INVITATIONAL

De Smet played host to seven other area freshman teams in the mid-January Invitational Tournament. The success of the tournament made it almost certain that this will become an annual event at De Smet. Vianney took first prize, CBC second, and Rosary third. De Smet was fourth in the tournament and DuBourg took home the consolation trophy. *At left:* Officials Joe Plattner and Kin Lavender are shown with the tournament trophies.

KICK-OFF SEASON A SUCCESS

The De Smet soccer team finished up its first season with an excellent record of five wins, one tie, and two losses. Much credit is due to our coach Mr. Kelly and his two assistants Mr. Halloran and Mr. O'Keefe who led the Spartans in their victorious debut season. Both Tom Eise and Mike Bowman did a fine job as team co-captains, although Tom unfortunately was hurt early in the season and saw little action during the remainder of the scheduled games.

Contributing much to the team's winning record was the Spartan offense, consisting of Joe Scanlon, Jim Huggins, Mike Bowman, Jim Houska, and Mike MacDonald. Holding the opposing teams to no more than one goal per game was the tight and rugged defense made up of Mark Vinciguerra, Tim Watters, Joe Murray, Steve Elliott, Tim Ryan, Frank Finnegan, Henry Autrey, and Mike Kelly who replaced Rick Meyer as goalie in mid-season and did an outstanding job.

The Spartan kickers began the season with a smashing victory, rolling over the Chaminade Flyers, 6-1. Scoring in the game were Jim Huggins, Mike Bowman, Ray Gilliam, Tim Ryan, and Tim Travers. Tim, incidentally, had the distinction of scoring the first goal of the season.

De Smet continued its winning way by beating Hanley Jr. High, 4-1 and running over Chaminade again in a 5-1 contest. It was in this game that Jim Huggins showed his scoring skill by heading in three goals, all off corner kicks.

After these three games Prep Seminary South handed the Spartan booters their first defeat. Prep South won the game 2-1. But hard-kicking De Smet quickly recovered from this defeat and clobbered St. Louis U. High, 4-1 in what was one of the highlights of the entire season. Ably assisted by his teammates, Joe Scanlon scored all four goals in this game, thus demonstrating once again the scoring ability of the club. In a return match with Prep Seminary South the Spartan footmen avenged their earlier defeat by trouncing their opponents, 3-1. The following game was with Rosary and despite a good show of spirited playing on the part of every man, De Smet lost this one, 3-0. The last game of the season was a real battle. Both the De Smet Spartans and the SLUH Jr. Bills fought hard on a rain-soaked field in Forest Park to win this important game. The rivals from Oakland Avenue managed to hold the Spartans to a 2-2 tie.

A well deserved congratulation goes to our coaches Mr. Kelly, Mr. Halloran, and Mr. O'Keefe and to the skilled and dedicated players who made our first soccer season such an outstanding success.

SPEECHMEN PREPARE FOR FUTURE . . .

Under the leadership of Fr. Taylor and with the aid of Fr. Van Del, a comprehensive Speech and Debate program was inaugurated this year at De Smet. During this year, De Smet became a member of the Greater St. Louis Speech Association and through this association gained many hours of practical tournament experience. Considering the good performance at these tournaments and the many compliments received from several coaches in the area on their work, the members of the Speech and Debate Club had a fine year. The wide range of talent demonstrated this year in these activities indicates a promising future for speech and debate at De Smet.
